Dear Parents and Carers,

Thank you for 2016

I would like to take this opportunity to thank the Tahmoor school community for their whole-hearted support during the 2016 school year. We have kicked a lot of goals and most importantly our teaching and learning practices are exemplary.

Thank you to all of our teachers for their professionalism and enthusiastic approach towards professional learning. Professional learning drives teacher improvement which in turn leads to improved student learning outcomes.

Thank you to our parents and in particular our P & C who have worked tirelessly to provide financial, social and emotional support to our school.

Thank you to our wonderful office staff who always provide a warm friendly face to visitors to our front office. Di Langford, Belinda Borthwick, Melissa Saliba and Donna Franolic are outstanding at their respective jobs and are greatly valued for their contributions to Tahmoor public School.

Finally, thank you to our wonderful students who have again shown a great capacity to learn, have fun and be great citizens.

I will miss our 2016 Year 6 students and I would like to take this opportunity to wish them all the best in the future endeavours. Good luck in High School next year.

Year 6 Farewell

Last night we held our Year 6 Farewell at Bargo Sports Club. It was a unmitigated success. Thank you to Mrs Pogson and the Stage 3 teachers for their terrific organisation. A great time was had by all.

Tahmoor Transition Program

Is your child starting school in 2018?

Then this program is for you!

We would like to proudly introduce the

TAHMOOR TOTS PROGRAM

This program will run every Wednesday in 2017 and aims to help children get ready for school in 2018.

We have employed a qualified Early Childhood Educator who has worked in both Primary Schools and in early education services.

This fun, engaging and targeted program runs for 1.5 hours for any student starting school in 2018. We will assist your child with skills and strategies that will help them to have the very best start to school in 2018.

You can register now for the 2017 program.
