News from the Principal

3 Way Conferences (Parent – Teacher-Student Interviews)

On Tuesday 27th June our school will be conducting our annual interviews.

Interview notes have been sent home and hopefully you have had the opportunity to respond and book an interview time that is suitable for you.

Teachers will respond to your interview request in the form of a response slip.

If you have not heard back from your child's teacher please contact them as soon as possible. It is not too late to make an appointment.

If Tuesday 27th June is not suitable for you to participate in an interview please contact the front office and we will endeavour to book another time for you.

If you are unable to attend a scheduled interview please contact the school and we can inform the classroom teacher.

School Refurbishments

Our school is currently being given a much needed facelift with the northern faces of our Stage 1, Stage 2 and Stage 3 buildings being painted. Our second tiered room is also being renovated and converted into an all-purpose learning space. There will also be some refurbishments made to the KB classroom. These school improvements will complement the outstanding interiors of our classrooms creating warm, positive learning environments.

Preschool Visit

On Thursday 29th June our school will be conducting our next preschool visit to our kindergarten rooms.

Preschool children will have the exciting opportunity to participate in a Literacy session with our current Kindergarten students. This session will start at 9.30am and conclude at 10.00am.

If you are aware of any families who have a child ready to start school next year and have not enrolled as yet, please encourage them to contact our front office. We can add them to our data base and then be able to inform them of any upcoming Preschool—visits.

Tahmoor Tots

Congratulations to Mrs Mcallister and the wonderful work she is doing with our Tahmoor Tots. Tahmoor Tots is a program designed to help transition preschool children into kindergarten. We have received amazing feedback from many of our parents regarding this program.

FUTURE FAMILY AUSTRALIA

thefutureleader group

Year 6 students thoroughly enjoyed Easter Day at Picton High School. Many participated in Science, Agriculture and Cooking lessons and the feedback that the Year 6 teachers received regarding behaviour and participation was very positive.

The Rugby League boys played their second State Knockout game. Despite being defeated by Oran Park Public School, the team played very well and wore the Tahmoor jerseys with pride. They are looking forward to being very competitive in the 7 a side competition next term.

Last week we had a Parliament sitting. Lots of great new initiatives were discussed and some are now awaiting approval by the Senate (teachers) and Governor General (Mr Schofield). An outline of these ideas will be published in the newsletter once approval has been granted by the Senate.

Our debating team had a convincing victory last week over Buxton Public School. Mrs Statham reports that the team performed exceptionally well with very strong arguments and excellent delivery. Fantastic effort debaters!

Keep up the good work Stage 3.

UNIFORM SHOP

QUICK SALE

Both the boys long pants (gabardine) and girls

with our families in week 10, and we urge any parents/carers who require an appointment to discuss a time of their convenience with their child's teacher.

We have been fortunate to provide work experience placements for two former students of Tahmoor PS over the past two weeks. Nancy (Elderslie HS) and Alana Sargood (Bowral HS) both spent a week within our support unit and experienced the privilege it is to work with our students. Both Nancy and Alana did fantastically well, forming close bonds with our students whilst supporting them in their learning. They were a credit to themselves and their schools and all the staff at the MC wish them the best in their future studies.

Whilst Mrs Lutman has been away we have been fortunate to have her position filled by Mr Gibson, who has done an outstanding job as the class SLSO in MCB. On behalf of all our students and staff we say a big thank you to Mr Gibson, and a big welcome back to Mrs Lutman!

During week 10 our students will have the opportunity to visit Wildlife World in Sydney on a group excursion as part of their Science studies. For further information, or to secure a spot, please see your class teacher. Finally, a reminder that the Friday Coffee Club is open to all our families, so if you are able to please feel free to join us from 10 am each week for coffee and cake!

Best wishes,

The MC team

1B TEN CENT CHALLENGE WINNERS

Congratulations to 1B for winning the 10 cent challenge. 1B brought in a total of \$247.40 narrowly beating KG who had a total of \$221.10.

The P&C would like to thank all the parents/carers and kids who supported and contributed to this fun challenge. Overall the challenge raised over \$1200 for the school.

We would also like to thank and acknowledge the people who worked hard to collect the money every Friday, painstakingly count it and bank it. It was a big job that was taken on with much enthusiasm! Thank you Samantha McDermott, Melissa Snedden and Patricia Cook.

1B TEN CENT CHALLENGE TOTALS FOR 2017	
FINAL TOTAL	
\$0.80	
\$136.00	
\$221.10	
\$19.10	
\$247.40 WINNERS	
\$53.00	
\$54.80	
\$37.80	
\$62.70	
\$27.10	
\$35.20	
\$43.70
