Bulletin 9 Wednesday 17th June 2020

## *News from the Principal*

Dear Parents and Carers,

### Opportunity Class applications

The 2021 Year 5 opportunity class applications are currently open and will close on Friday **26th June**.

If you need support with this application please contact the front office or myself.

### 3 Way Interviews

Parent- teacher-student interview notes have been sent home yesterday. Semester One reports will be sent home on Tuesday 21st July (Week 1 Term 3).

The 3 Way interviews will take place seven days later on Tuesday 28th July. Please return the slip indicating the times most convenient for you to attend. Teachers will then respond to you with a confirmation time.

With COVID19 causing such a huge disruption to our normal teaching and learning, this interview is a great opportunity to discuss your child's education with your class teacher.

### School Photos

Again, due to the COVID 19 pandemic school photographs had to be put on hold. We now have a revised date where class photographs and family portraits will be taken. The revised date is **Wednesday 12th August**.

Parents who have already paid and returned slips are already accounted for and do not need to do anything further. If you need an envelope to order a school photograph please contact the front office.

### School Camps

Stage 2 have planned to attend a Sport and Recreation camp at Broken Bay. The latest advice is this camp will be able to go ahead in Term 3. More information regarding this camp will follow shortly.

The Stage 3 camp to Canberra/snow has not been approved at this point of time by both external providers and the Department of Education. Reluctantly we will have to cancel the Stage 3 camp for Term 3.

We will **revisit** the possibility of having an overnight camp for Stage 3 in **Term 4**.

### Learning from Home surveys

Thank you to the many parents who responded to our Learning from home Surveys. Your thoughts and opinions are highly valued and will certainly be strongly considered if we are placed in the same unfortunate position (pandemic) again. There was a strong correlation of responses gathered across the parent, teacher and student surveys.

### Condolences to the Whiteman and Cush families

Our thoughts and best wishes are extended to both of these families as both have experienced recent losses.

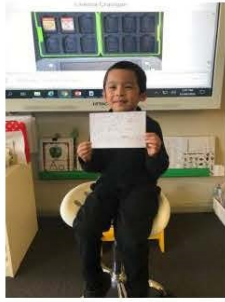

### Congratulations Mrs Warwick

Mrs Warwick has been officially appointed on a permanent basis to Tahmoor Public School. She is an outstanding teacher with an amazing skill set and her dedication and commitment towards Tahmoor students and families is unquestioned. We are a very lucky school to have Michelle!

Have a great fortnight,  
David Schofield  
Principal

# Kindergarten News

Many of the students are starting to bring things into school in the form of news. The curriculum is so jammed packed we do our best to try and let the students have a few minutes to share their toy or little something they have brought in. Here are a few of the wonderful topics Kindergarten have been discussing.

**KG loved sharing their favourite book.**

**KC have been talking about our many wonderful family members with interesting jobs and materials.**

KK have been talking about Materials.

KT Sam talked about his family. Aariah brought in her clipboard made from Wood, plastic and metal. She spoke out each material and where they came from. From nature or person-made.

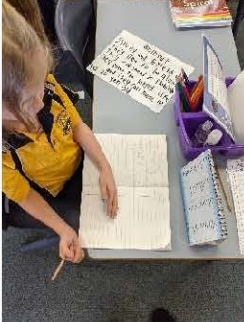

## STAGE 1 NEWS

We've enjoyed some fun in our stage sport.

**1F:** What a fun and busy few weeks 1F have had. From volcanoes to life cycles of frogs and making fairy bread. We have all had so much fun with our learning!

**1K:** We have been very busy working on creating information reports on some Australian native animals. We have also been learning about multiplications and enjoyed using concrete materials to solve some multiplication problems.

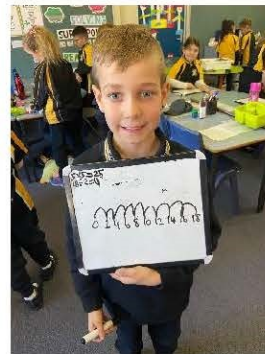

**1T:** In literacy 1T learnt all there is to know about one of our favourite animal, dogs! We even made some toys to donate to a local animal shelter! In math's we have been learning new strategies to solve multiplication.

**2D:** We have been enjoying water colour art. We have been practicing our strokes and fine motor skills, while having fun and creating beautiful pieces of art.

**2O:** 2O are learning multiplication and have demonstrated lots of different ways to solve multiplication problems. They really enjoy working together! They are also investigating light and sound in Science and have been creating Autumn Trees in Art.

# STAGE 2 NEWS

Stage 2 have been working on hard during Science on the States of Matter whether it is a Solid Liquid or a Gas The children have made Oobleck - a bit messy but lots of fun. Is it a solid or a liquid?

We have also been researching lots of different animals, countries and other things as part of our unit on Information reports.

A really great app that helps kids learn their times tables is MathsRockx. It uses classic songs from PINK, One Direction, Lady GaGA, Pharrell Williams, will.i.am and more. The music is why kids love the app.

# MC NEWS

We in the Support Unit love celebrations and on top of some special birthdays, we celebrate Mrs Lutman being with us at TPS for 20 years. After attending TPS as a student, she has worked everywhere around the school, at one time or another, and now calls the MC home. We recently held a morning tea and presented her with a gift to tell her how much we value her and her commitment to TPS.

In the MC, we have always sought to develop our skills through a rich variety of experiences. We have put together a small collection of photos here showing off our cooking skills, living skills and our growing self-expression.

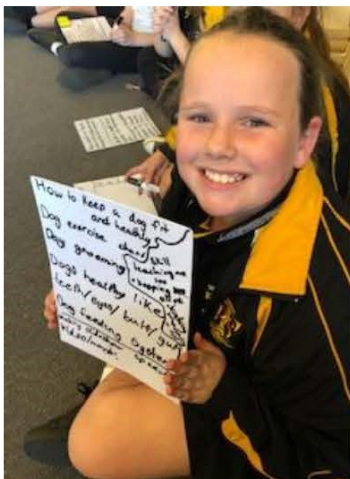

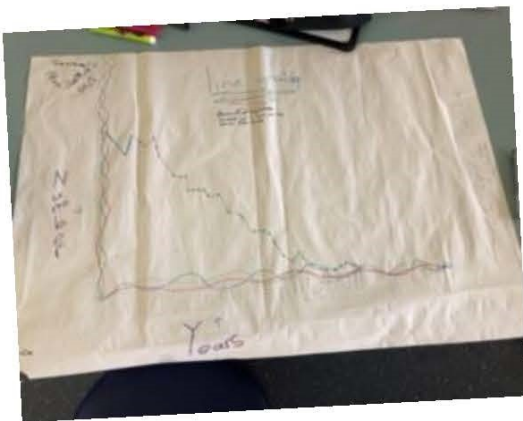

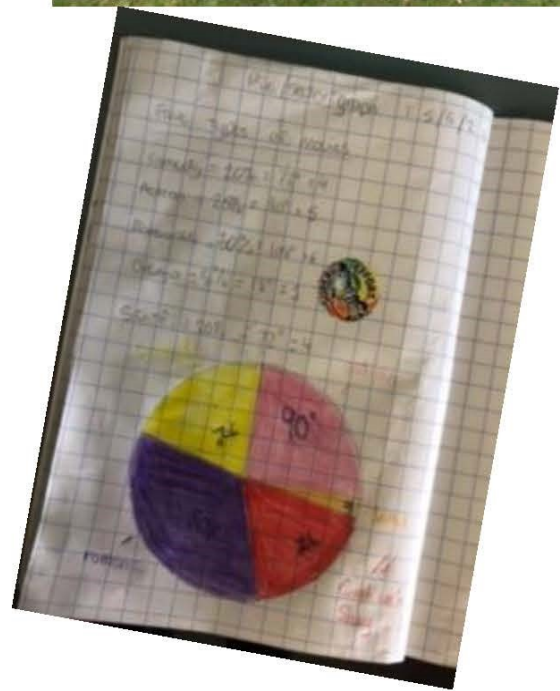

We would also like to acknowledge the tremendous efforts of our students and families during this time of stress and change. You have gone through a lot. The upcoming holidays will be well-deserved.

K-6B, K-6C, K-6D

# Stage 3

A fun filled, jam-packed fortnight of learning in Stage 3! From Genius Hour in 5/6W, exploring Data in 5/6E, Creative Writing in 5/6B and Minecraft in 6C, we love sharing a snapshot of our learning with you!

# CANTEEN NEWS

**The canteen will be running with an amended menu, please see below. On line ordering is preferred. Details are shown below.**
